We will be sending a message to ask for your final confirmation one day in advance to your reservation date. We kindly ask you to answer our message or call us to confirm. Because if we don't receive a final confirmation from you your reservation is going to be cancelled.

Please also note that we can only follow and respond our e-mail messages between 8 and 11 in the morning. You can reach us via telephone (+90 212 292 44 55 or +90 544 292 44 55) during our service hours.

Karaköy Lokantasi

PS:

We can only host children **over the age of 14 at the dinner service**. The ambiance is not suited for very small children and, due to limited space, for strollers and buggies.

In the evening, we discourage jogging suits for both ladies and gentlemen and, for the gentlemen, jogging shorts, sleeveless t-shirts, flip flops and sandals.

We can keep your table for 15 minutes from the specified reservation time.
