GENERAL RENTAL CONDITIONS

1. Subject matter

The Lessor (RENT HERE di Ostuni Sergio, operating in Monopoli, Via S. Vincenzo 13) rents a vehicle to the Customer without a driver. The Customer declares the vehicle to be in good working order, fit for use, and fully functional, except for any notes recorded in this contract or the handover form. Any damage or anomalies not reported at the time of handover will be deemed accepted by the Customer, who assumes full responsibility for any damage identified at return. Full payment is due at the time of booking or before vehicle handover, failing which the contract shall be null and void.

2. Use of the vehicle

The Customer undertakes to use the vehicle with the utmost care and in compliance with applicable laws. The following are strictly prohibited: unlawful use; subletting or transfer to third parties; participation in races, competitions or tests; driving under the influence; transport of dangerous or explosive goods; towing other vehicles; driving by unauthorised persons; use outside the authorised territory; negligent or improper use. Smoking inside the vehicle and transporting animals without prior authorisation are also prohibited.

3. Customer liability

The Customer is liable for any damage, loss, theft, fine, penalty, accessory cost, administrative expense or violation occurring during the rental period, from handover until final contract closure. Liability includes: direct and indirect vehicle damage; mechanical and electronic damage; damage to tyres, rims, glass, underbody and interior; damage from improper use; legal and administrative costs; vehicle downtime; loss of earnings; loss of future rentals. Only damage attributable to documented normal wear and tear is excluded.

4. Vehicle custody

By taking delivery of the vehicle, the Customer assumes full legal custody. The Customer is responsible for the keys, electronic devices, GPS transponder, documents and original accessories. In case of loss, theft or failure to return, the Customer shall reimburse all costs of replacement, duplication, reprogramming, recovery and vehicle downtime. If the Customer is not in physical possession of the keys and/or transponder, any insurance coverage for theft or fire shall be considered null and void.

5. Prohibition on travel abroad

Taking the vehicle outside Italian territory without prior written authorisation from the Lessor is strictly prohibited. In case of unauthorised travel abroad, all insurance coverage is automatically void, the Customer assumes full civil, financial and criminal liability, and the Lessor may immediately activate security and recovery protocols at the Customer's expense.

6. Payments, deposit and authorisation to charge

GENERAL RENTAL CONDITIONS (cont.)

The Customer expressly authorises the Lessor to charge any amount arising from this contract directly to the card provided, including: damages; insurance deductibles; penalties; fines; tolls; fuel; cleaning costs; recovery costs; administrative expenses; failure to return accessories; costs arising from technical inspections; any other amount payable by the Customer. Return of the vehicle does not constitute the Lessor's final acceptance of its condition. The deposit may be retained in full or in part until completion of all technical, administrative and insurance checks, and will be returned within 30 days of return, except in cases of damage, ongoing checks, accidents, fines, disputes or amounts yet to be determined. Late payment interest applies at the ECB rate plus 4 percentage points. The Lessor reserves the right to assign its claims against the Customer to third-party debt recovery companies.

7. Insurance and coverage limitations

Coverage applies only if this rental agreement is complied with. Deductibles, exclusions and non-covered amounts remain the Customer's responsibility where provided by the policy or by law. For all other vehicle categories, Kasko (own-damage) coverage applies with a €500.00 deductible, to be secured by card pre-authorisation (hold) at vehicle pickup and released at the end of the rental, except for amounts due for claims, damages or contractual charges.

8. Accidents and breakdowns

In the event of an accident the Customer must: stop immediately; collect details of all parties involved; make no admission of liability; immediately notify the Lessor; send a written report within 24 hours to rentheremonopoli@gmail.com. The Customer may not carry out repairs without written authorisation from the Lessor. In case of breakdown or anomaly, the Customer must immediately stop using the vehicle and contact the Lessor. The deposit will be retained until final closure of the insurance or technical claim.

9. Vehicle return

The vehicle must be returned by the agreed date and time in the same condition as received: clean inside and out (hand wash), with a full tank of fuel, and with all original accessories and documents. Failure to clean incurs a penalty of up to €90.00 + VAT + cleaning costs; missing fuel incurs the full refuelling cost plus €50.00 + VAT. Signing the return form or the absence of immediate objections does not exclude the possibility of subsequently identifying hidden damage, anomalies or faults not immediately visible. The Lessor reserves the right to carry out within 30 days of return: technical inspections; electronic diagnostics; mechanical checks; GPS checks; checks on bodywork, underbody, interior, tyres and rims. Any damage or anomalies attributable to the rental period may be contested and charged to the Customer even after return. After 30 days from the actual return date, in the absence of any dispute communicated by the Lessor to the Customer via the contact details provided in the contract (telephone, email or post), the contract shall be considered partially closed. All civil and/or criminal liability, including any penalties attributable to the Customer, is not subject to any limitation period.

10. Absence at return

If the Customer or their delegate is absent at the time of return, the Customer forfeits any right to contest damage identified on the vehicle. In the case of return without the physical presence of RENT HERE staff, the Customer accepts as final the photographic, video and technical evidence gathered by the Lessor, which shall constitute proof of the vehicle's condition at the time of return.

GENERAL RENTAL CONDITIONS (cont.)

11. Late or failed return

A Customer who fails to return the vehicle within 30 minutes of the agreed deadline will be considered in breach of contract. The Lessor may: activate satellite tracking systems; proceed with forced recovery of the vehicle; charge penalties and additional costs; file a report with the relevant Authorities for misappropriation. Any extension must be authorised in writing in advance.

12. Loss of earnings and technical downtime

In the event of damage caused by the Customer, the Customer shall be liable to compensate the Lessor for each day of technical downtime required for repairs, checks, diagnostics or insurance procedures, at the full rental rate in force at the time of signing. The Customer shall also be liable for any economic loss arising from the inability to rent the vehicle to third parties within 90 days of contract closure.

13. Indemnity

The Customer releases and indemnifies RENT HERE di Ostuni Sergio, its employees, collaborators and directors from any liability arising from the use of the vehicle. The Lessor is not liable for items left in the vehicle, indirect damages, delays, weather events, theft, vandalism or force majeure.

14. Authorised driver

The only person authorised to drive is the Customer and/or the additional driver named in the contract. The driver must hold a valid licence for at least 3 years, a valid internationally recognised identity document, and must comply with all contractual conditions. The Lessor has the unquestionable right to deem the Customer or driver unsuitable and refuse the service.

15. Express termination clause

The Lessor may terminate the contract at any time, before or during the rental, in the event of breach of contract, improper use of the vehicle, unavailability of the Customer, non-payment or risk to the vehicle or third parties, without notice or justification. In such cases the Customer shall not be entitled to any further reimbursement beyond the unused portion as assessed by the Lessor, excluding any additional compensation.

16. Availability and security protocols

The Customer must be reachable at the contact details provided throughout the rental period. After even a single unsuccessful contact attempt, the Lessor may retain the full deposit, activate GPS systems, immobilise the vehicle and initiate forced recovery, all at the Customer's expense and liability. The Customer accepts the use of satellite systems installed on the vehicle for security, insurance and recovery purposes.

17. Technical documentation and evidence

Photographs, videos, GPS records, diagnostic reports, technical documentation and inspections carried out by the Lessor constitute valid evidence of the vehicle's condition and any anomalies identified. In the case of handover or return without the physical presence of RENT HERE staff, the Customer accepts photographic and video evidence gathered by the Lessor as valid.

GENERAL RENTAL CONDITIONS (cont.)

18. Self-certification and language

The Customer declares that all data and documents provided are genuine and is aware of criminal liability for false declarations. The Italian text prevails over any translations. Foreign customers declare that they have understood all clauses with the support of the Lessor or in the English language.

19. Privacy and data processing

Pursuant to EU Regulation 2016/679 (GDPR), the Customer authorises the processing of personal data for purposes connected to contract execution, service security, administrative management and insurance protection. Vehicles may be equipped with permanently active GPS systems managed by the insurance provider. Data collected may not be deleted until final closure of all relationships between the parties.

20. Disputes

This contract is governed by Italian law. In the event of any dispute, the parties shall first attempt conciliation through the Bari Arbitration Chamber; failing agreement, exclusive jurisdiction shall vest in the Court of Bari. The contract remains valid even in the event of partial invalidity of one or more clauses.
