Hi Valentina, thank you for your email. I am trying to pay the attached invoice but when I click on MAKE PAYMENT it won't take me into the website to pay. It just seems to go around and around. Can you please look into this.

Kind Regards
Trudy & Bruce

Hello there,

thank you for your prompt reply!

the Bike protection has been added. Please find the invoices attached. You can decide to pay it by credit card clicking on "MAKE PAYMENT" on the bottom part of the invoice in attachment. In alternative, you can pay by bank transfer (preferred) using the Puglia Cycle Tours bank details provided on the invoice. Please use Euro currency! Feel free to choose the method you prefer.

We strongly advise you to make all changes before paying the last balance (one month before the departure date) because otherwise we cannot guarantee to accommodate your requests and there may be a surcharge. In case you need extra nights or private transfers, this is the right moment to tell me.

After this payment, you are going to receive a sum up of your entire order, along with the last useful information, as soon as possible.

Kindly,

Valentina

Dear Bruce and Carolyn,

your trip to Puglia is now just a few weeks away and we are looking forward to welcoming you.

Attached to this email you will find our **Bike Rental Agreement**

We invite you to take a few minutes to read the Bike Rental Agreement before your arrival. The document outlines the terms and conditions related to the use of the bicycle and accessories provided during your trip, including responsibilities in the event of accidental damage, loss or theft. The Bike Rental Agreement will be reviewed and signed during the bike handover at the beginning of your tour.

Ride with greater peace of mind

Even on the best cycling holidays, unexpected situations can occur: a damaged wheel, a bent derailleur, a fall, or the loss of an accessory.

Listening to our guests has always been at the heart of what we do. Over the years, many have expressed a desire for a Bike Protection service that would allow them to enjoy their cycling holiday with complete peace of mind. We are therefore delighted to introduce our **new Bike Protection service**, offering added security, confidence, and reassurance from the moment your adventure begins until it ends.
